Architects Set Deadline For High School Plans

Plans for the new 1,500 pupil high school, approved in the recent referendum, will be ready for bid November 1, according to Richard Quinn, a member of the firm of Russell, Gibson and vonDoblen of West Hartford

meetings to discuss various phases of the construction plans. Quinn said he will start working on the drawings and specifications recommended by Dr. Robitaille and report to the building committee on Monday.

some of the building committee said they didn't want a leaky roof in a few years. They were told by Dr. Robitaille that there are 11 schools with leaky roofs and decided, "We don't want another one."

Windows At High School Let More Than Light Through

Constru

'Slightly Ahead' Of Schedule

New high school expected to be ready for fall opening

Roxanne Bailey

Dr. Joseph Robitaille, school superintendent, Thursday night disclosed that the latest indication from the High School Building Committee is that the new high school on Pleasant Street will be ready for occupancy next September, one year earlier than originally contemplated. If this date is con-

School Board during the next two months.

In his report to the School Board, Robitaille said all the new equipment for the new school will be needed one year ahead of the original timetable, staffing and personnel assignments will have to be made, a decision on the use of the present high school is needed im-

to be started immediately.

The school head added tha the 1973-74 budget, now in th beginning stages of deve opment, will have to reflect th operation of the new building transportation routes will hav to be completely revised, mo ing expenses will have to be d termined and physical change if any, in the present hig

h school on Pleasant Street will eady for a September occupancy, according rancis Kane, Chairman of the Building mittee.

Responding to an article which appeared week in the **Meriden Journal** quoting Dr. p Liguori, a member of the Building mittee and the Board of Education, as g that the building may not be ready, Kane lined that Liguori had spoken before the proofing process was completed.

Since that time, the waterproofing has been ed, Kane reported, and with the storms of week, there was no leakage.

Leaks were discovered in the building last causing the Building Committee and school als to push back the scheduled opening

date from January to September of 197

Kane stated, "There isn't any evid the present time that could lead one to co that the school won't be ready in Septe

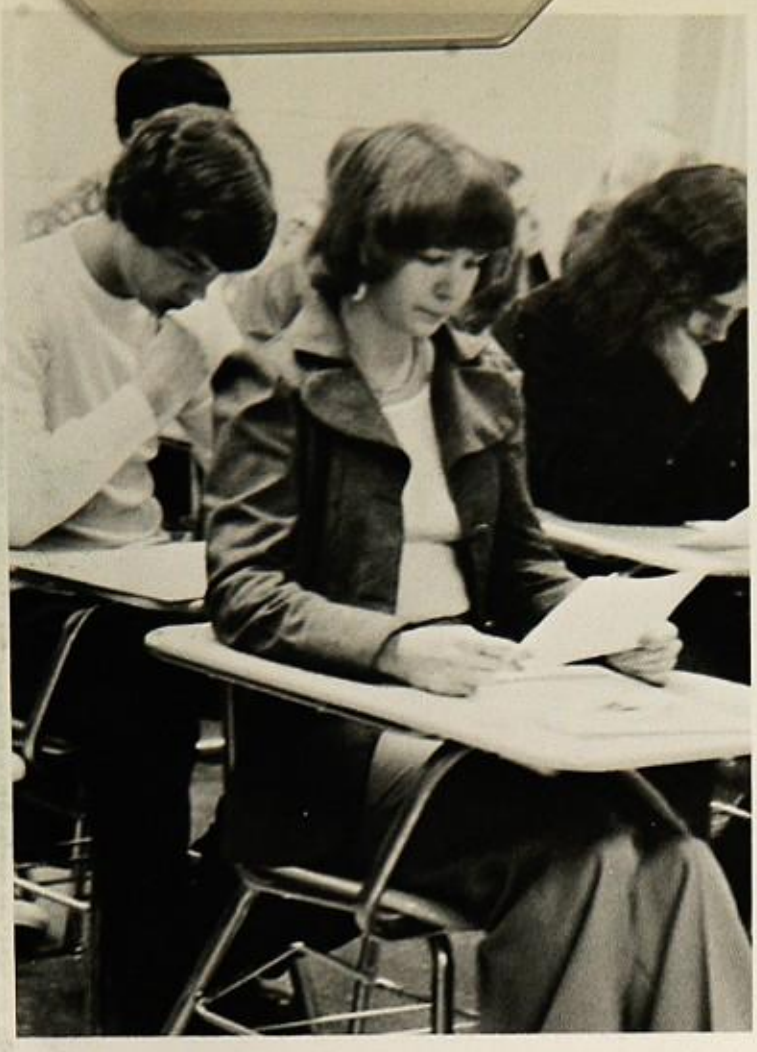
Remaining work to be done, Kane electrical work related to the installa machinery and equipment which can completed until the equipment is in pla having the drapes hung and the rugs l

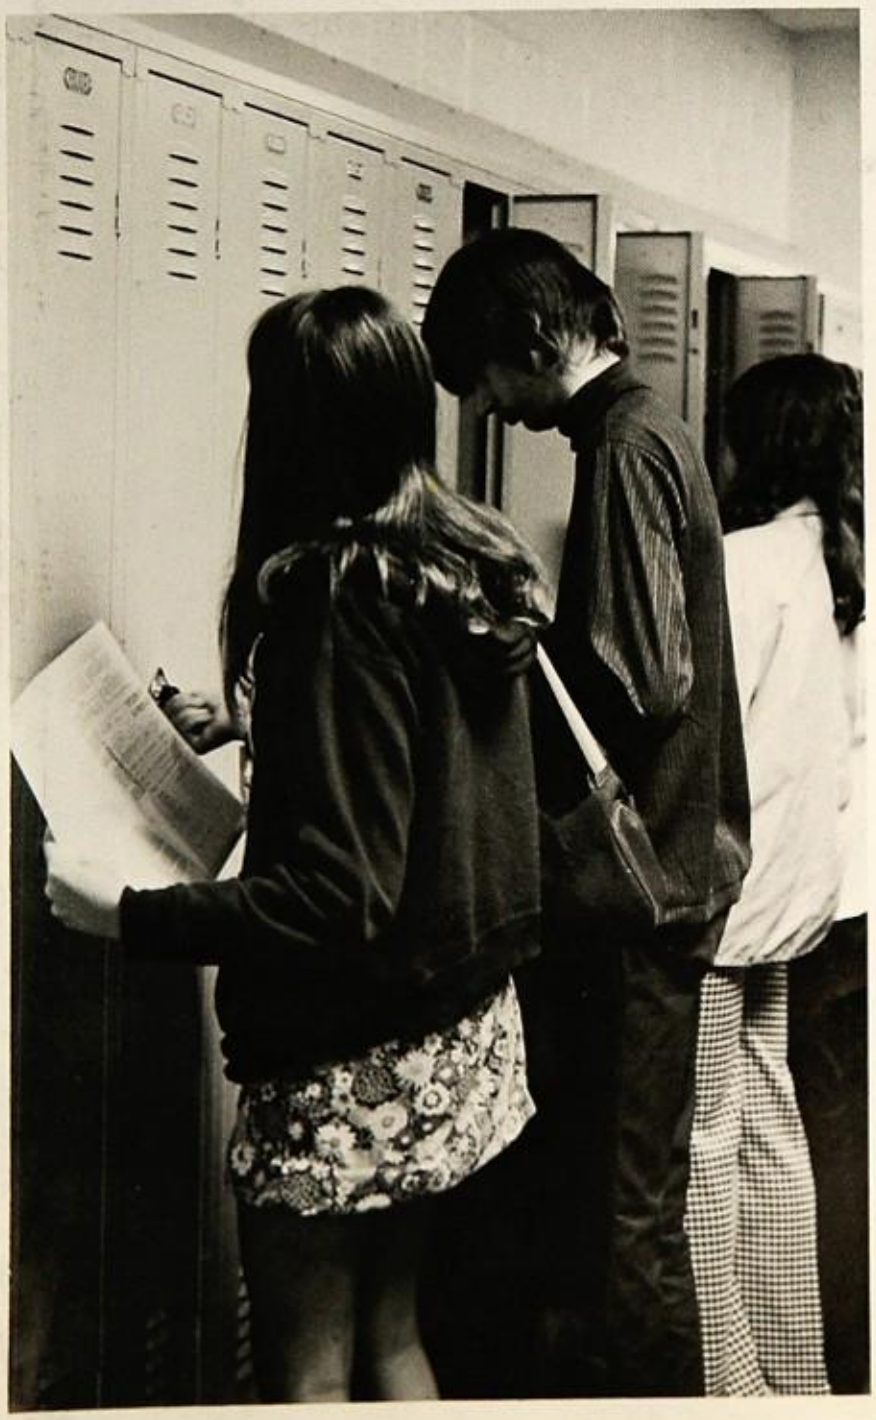
Kenneth Thurlow, clerk of the works, Kane expressed complete confidence i mated that the electrical work would take most, three weeks to complete.

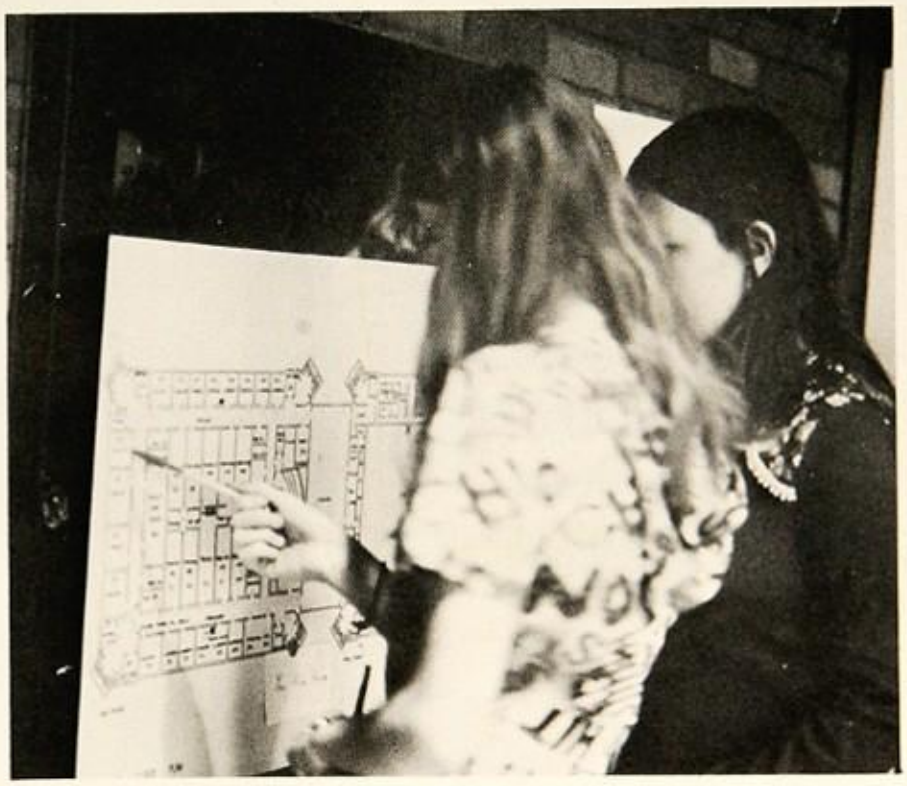
On Thursday and Friday of last simulated tests were conducted with soaking parts of the building for one three-quarters of an hour.

New High School Ready This Fall 1974

When students finally entered the eight million dollar sponge, all the leaks had been patched and the puddles had disappeared.







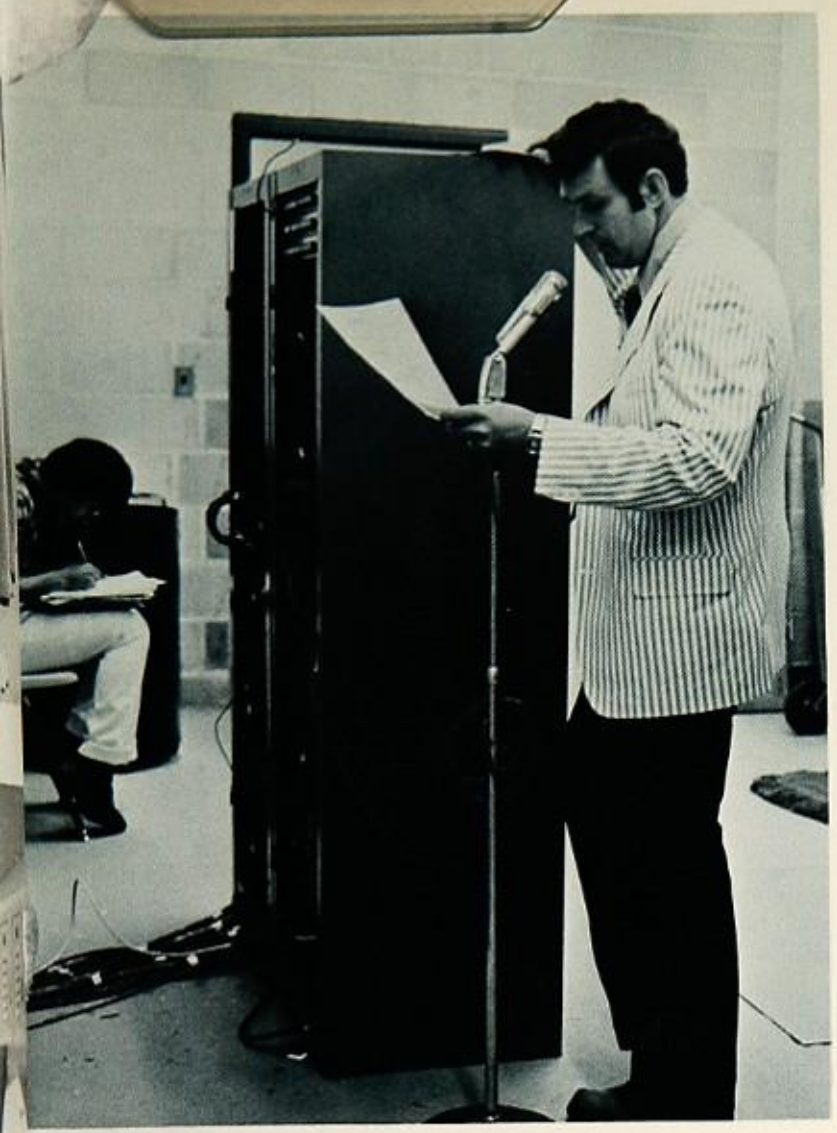
Upon walking into the new Southington High School for the first time, each student was hit with some cruel realities . . .

. . . "YOU ARE HERE" . . . "But where's here?"

. . . "You know, they don't make lockers like they used to."

. . . "What a schedule! Eight periods of classes and no lunch!"

When the administration moved into the new building six weeks before school began, they were also faced with a series of grim situations . . . . . If the windows would only stop leaking, we could unroll the rug. . . . Is this a hallway or the loading dock at Grand Central Station? . . . Chairs, towers of thousands of chairs . . . Who will put them away? — (The football team!)



And on the first day . . .

. . . Announcement readers were exiled due to the lack of a P.A. System Control Panel in the office.

. . . The library had progressed. But something was missing?

. . . "Where's the good, hot food?" (After two and a half weeks, Mr. Pyne was still waiting.)

. . . "Hoo boy! This is gonna' be a rough day!"

Miss Patricia Williams
Mr. William Heath
Mr. Dominic Giallello
. . . Thank You

Being an advisor to any group requires patience, perseverance and sincere understanding. The advisors of a class of over five hundred and thirty students is an extremely difficult job, due to the many variations of personalities, ideas and values encountered among them. Throughout our years at Southington High School, our advisors, Mr. William Heath and Miss Patricia Williams have displayed these qualities and given us their time and dedicated effort, unselfishly, to make our experiences, as members of the Class of '75, worthwhile. Mr. Dominic Giallello has also given to our class his unlimited time and perseverance in advising us in the production of the 1975 Chronicle. To these three people, we, the Class of 1975, wish to extend our sincerest thank-you for all they have done for us.

Mr. and Mrs. William Heath

Long hours of preparation . . .

The Class of '75 entered the old Southington High School in the fall of 1972. Their first organized activity as a class was the election of officers. Elected as President was Pat Gagliardi, Vice-President Jennifer Ross, Secretary Karen Wylie, and Treasurer Gabe Vargas. Under the direction of Mr. William Heath and Mrs. Susan Piqueira, the Annual Magazine Drive was an overwhelming success, followed by another sophomore victory in the Emblem Talent Competition. Michele Aloisi, Robyn Tarantino, and Karen Wylie won first place, while classmate Flo Gaetano scored a third, giving the sophomores the total point award. To satisfy their greedy urges, the Class of '75 sponsored two highly profitable dances, the Cheeba and Swan Concerts, making the class the wealthiest sophomore class ever at the high school. In preparation for an exciting junior year, elections were held. The voters' choices were; President Jennifer Ross, Vice-President Jane Tripp, Secretary Karen Wylie, and Treasurer Lori MacKenzie.

At the beginning of their junior year, Ms. Patricia Williams joined Mr. Heath as class advisor, replacing Mrs. Piqueira. Again, the Class of '75 proved its superiority in the Student Council Talent Show when Jack Fager and Norm Rodriques won first place with a comedy skit followed by a piano piece performed by Carol Dickman which won third place. Although not a financial success, the Junior Prom held in November was an evening remembered by those few who attended.

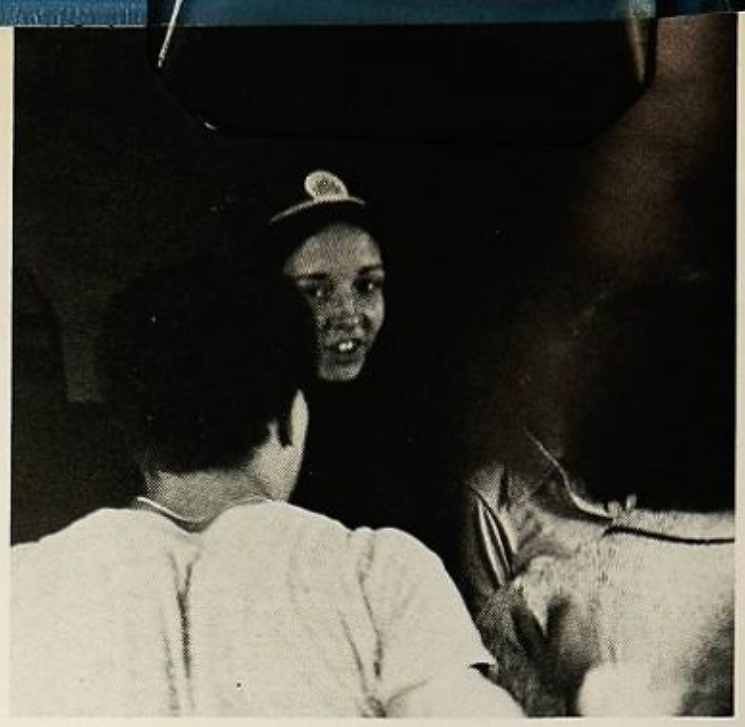
Robyn Tarantino

The Junior Show, entitled "Who Said We Couldn't Do It?", under the chairmenship of Betsy Goggin, Gerri McNamara, and Karen Wylie, was certainly an event which all the participants enjoyed. Under the supervision of Mr. Dom Giallello, Betsy Goggin and Karen Wylie were chosen as co-editors of the Chronicle, and officers for senior year were elected. The new officers were President Jack Fager, Vice-President Norm Rodriques, Secretary Lori MacKenzie, and Treasurer Tim Kane.

Sock-Hop

Class Breakfast



Apple Harvest Festival Booth

Fifties hit the classroom!

Senior activities began October 23 at Gene's Kitchen with the Class Breakfast. The month of November was ushered in with the Homecoming Dance, highlighted by the crowning of Senior Mary Maringola as queen. The nostalgia craze swept through Southington High School as the Class of '75 sponsored a sock-hop: a return to the fifties. The most important senior activities are yet to come: Senior Prom, Class Day, and Class Night, are very special occasions to every graduating class, and the Super Seniors of 1975 will be no exception.

Dickens (A Tale of 2 Cities)

Friends of '75;
The end of the road is here. The end of the road, however, does not relinquish a negative feeling. On the contrary, it brings to us a positive reward: that reward being a fulfillment of living, learning, and loving. This end brings only a new beginning to a vast and expansive world with so much more to live for and learn for, and of course, to love for. We are like the caterpillar who is just now breaking out from his chrysalis, we must now spread our wings as does the butterfly into a new and strange world. It is now for us to challenge this world of ours, and with this, accept and understand not only the joys and loves of life, but also the hardships. Best of luck and love to you all and thank you all for giving me this opportunity as you did.

Steve The problem is you don't realize how fast we're going! Where did all the time and money go? Driving for the fun of it, Pat's chevy wgn. John's Duster, U FOOL Why did u give me a brake Job? Did a Ford do that? That's a Police car coming through the smoke! and your gonna be a cop never! . . . We think we know everything, then we learn more and realize we know very little. I hope that each day of my life I can learn something new.

Chino, Howie A student of life, opening up its secrets. For the first time I am seeing what life, love, and myself really are. I am striving to be a healer of our friends, a veterinarian. To keep me going I have someone to turn to for strength, Pat, she is the one who I really care about. I say to the student body and any student who doesn't find themself part of it, may you find out what a school is for before you ruin it. May you all dream on . . .

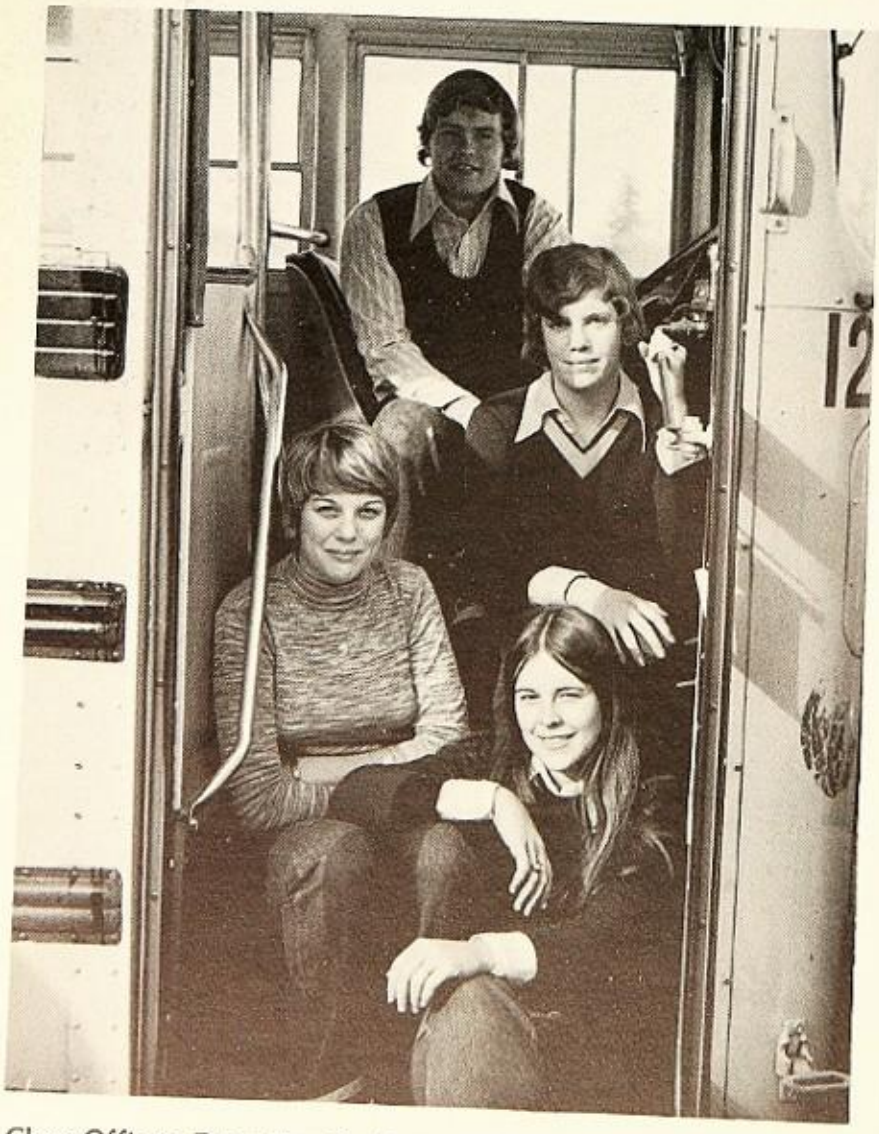
Juniors

September, 1973 marked the first assembly of Southingon High School's class of '76, "The Bicentennial Class" as it has come to be known. Aiding the class in it's initial organization were faculty members Mrs. Susan Piqueira and Mr. Thomas Dudac.

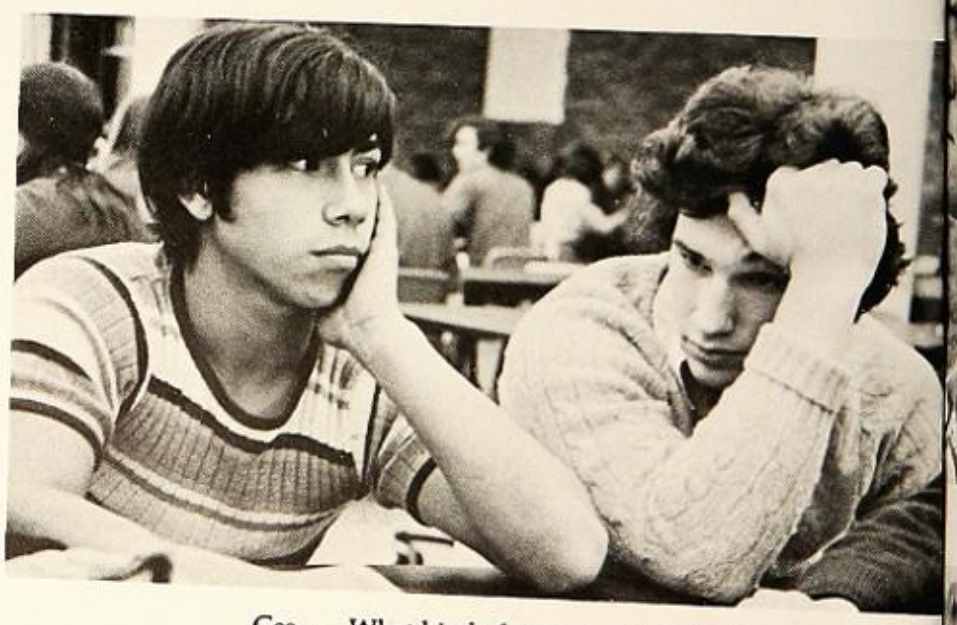
First consideration for the new class was, of course, election of class government. Since students were from several area schools a formal assembly was the instrument chosen for officer candidates to introduce themselves to their classmates and at the same time present their "platforms" to their electors. Sixteen candidates were in the running. The four chosen by the student body to lead the new class through its sophomore year were President Bill Corrigan, Vice-President Meg Walsh, Secretary Kim LeBrun, and Treasurer Debbie D'Angelo. Finances were the first problem confronting the newly elected officers. To raise money, a magazine drive was held in October '73 and the '76ers responded with great enthusiasm. A giant step toward financial security was taken as evidenced by the final tallies in the waning days of the campaign. Other fund raising events followed such as a talent show, the "Battle of the Bands", a rock concert, and an evening of classic horror, movies featuring "The Werewolf of London". Lon Chaney sent shudders up sophomore spines and helped pad the '76 treasury as well.

One highlight of our sophomore year came in spring with the ordering of class rings. Record high prices for gold failed to dampen enthusiasm and scores of rings were ordered in many different styles and varieties of stones by eager 10th grade Knights. Delivery finally came in the fall of our junior year and the rings were beautiful indeed.

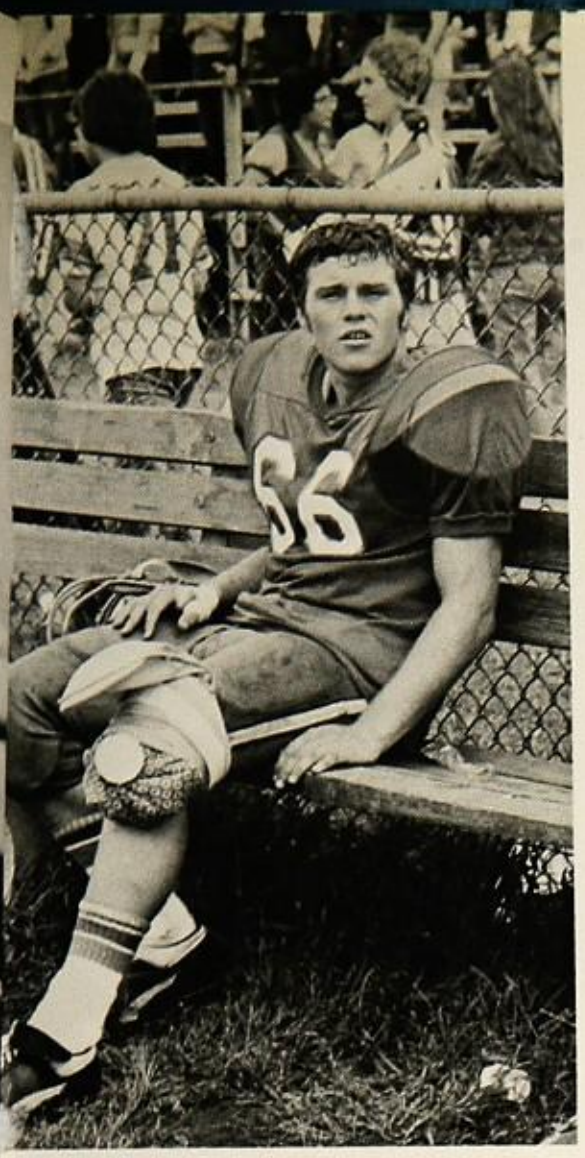
Ms. Carol Cope: Class Advisor

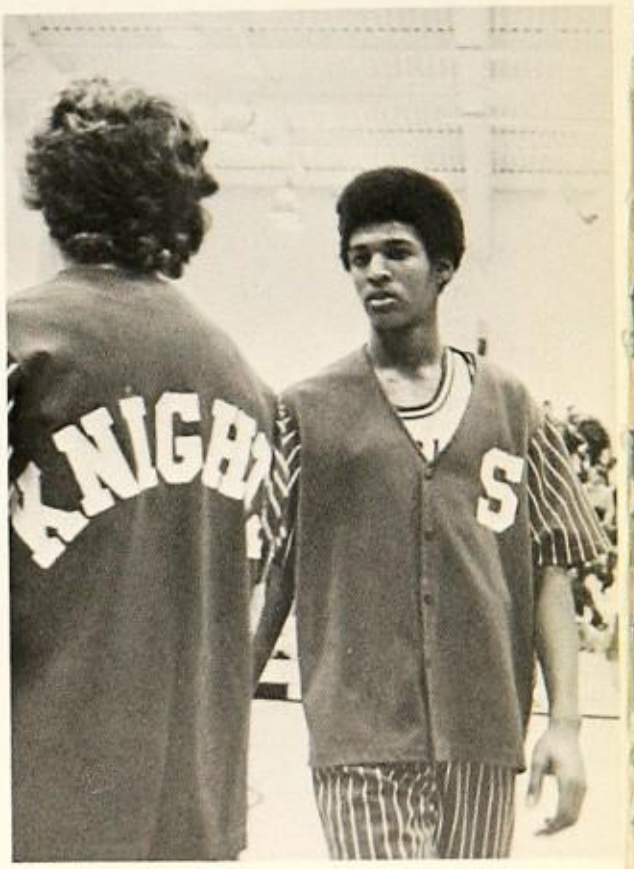


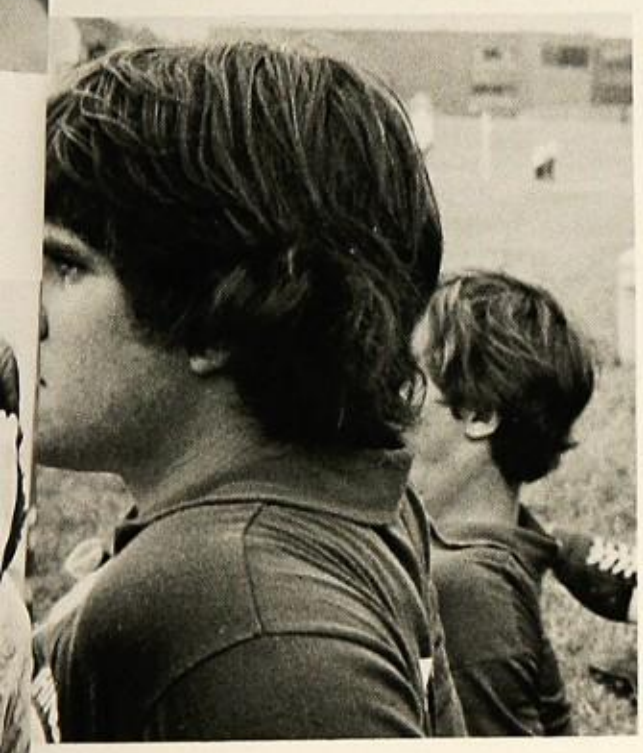
Class Officers **From Top To Bottom:** Bill Corrigan, President; Meg Walsh, Vice-President; Debbie D'Angelo, Treasurer; Candy Limmer, Secretary.



Gee . . . What kind of excuse can we give?

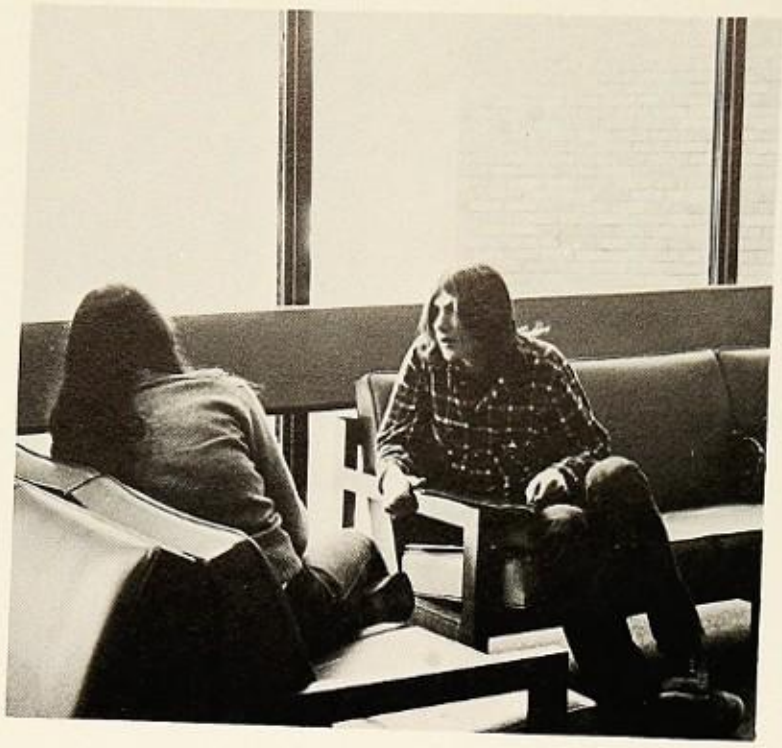






Mr. Thomas Dudac: Class Advisor

Graduating from Advanced Sandbox, the juniors began to attend social activities.



The spring of '74 kept the sophomores of '76 busy in other endeavors. Class dues were collected, committees were organized for our Junior Prom, and election of the junior year officers were held. Bill Corrigan again was selected President, Meg Walsh, Vice-President, Candy Limmer, Secretary, and Debbie D'-Angelo, Treasurer.

Upon reassembly of the class in September '74, this time as juniors at our beautiful, new Pleasant Street address, our first order of business was preparation for our Prom in November. "Saturday in the Park" was the theme selected. Enormous amounts of work were involved in this project. A band was hired, decorations constructed, and bids printed. The net result was a fantastically successful affair due primarily to the hard work of Candy Limmer, Debbie Mongillo, Mike Boissonneault, Anne Hayner, and many others too numerous to mention. Those who attended "Saturday in the Park" will long remember its eternal mood.

At the time of this printing the Class of '76 is involved in its next event, a show to be held on March 7.

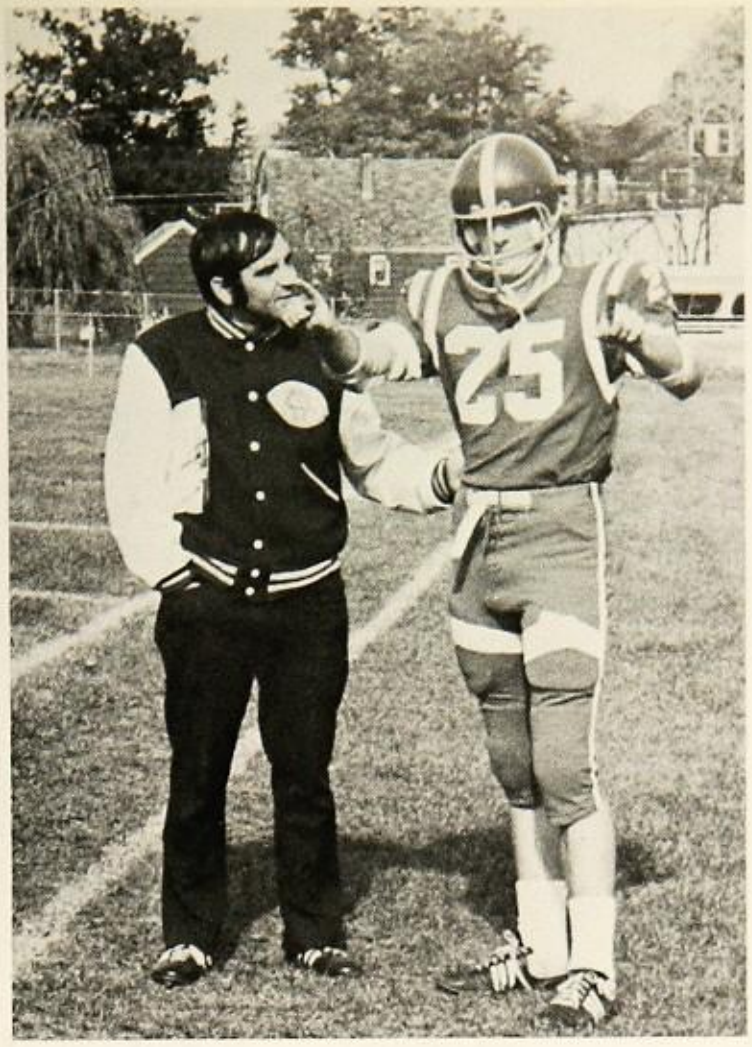
"Gosh, darn!"



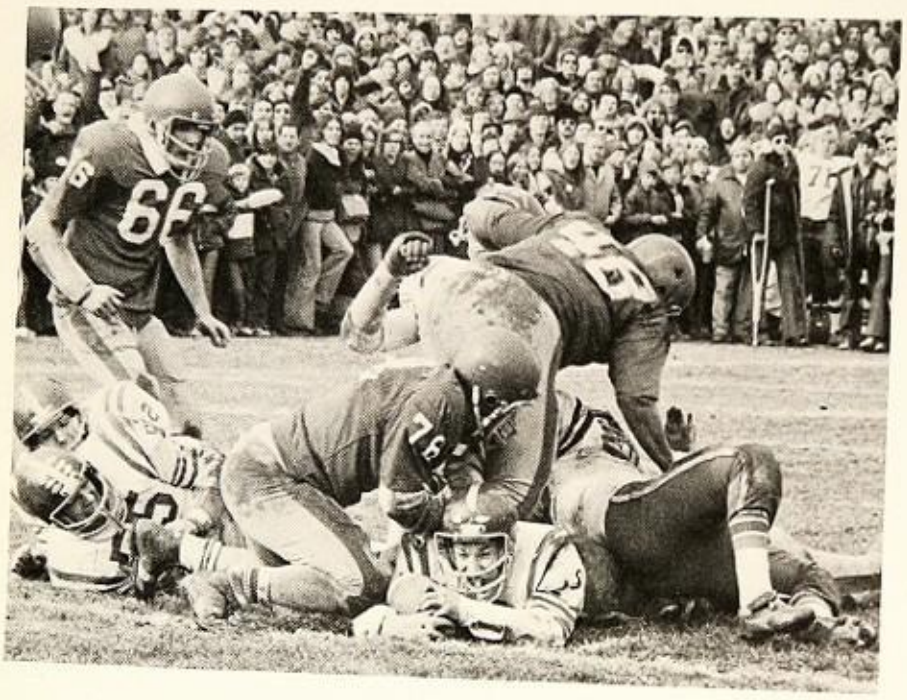
"It was this big, Coach!"

The 1974 Southington High School Football Team had a disappointing season, winning 5 games and losing 6. After a most successful week of pre-season training at Rumsey Hall, the team won all of its three practice games and it looked like a good season was in the offering. However, the team ran into many difficulties with injuries; which resulted in the loss of five games by a total of 21 points. The season closed on a successful note with the team defeating our traditional rival Plainville High School on Thanksgiving Day, by the score of 6 to 0.

Those ballet lessons really paid off!

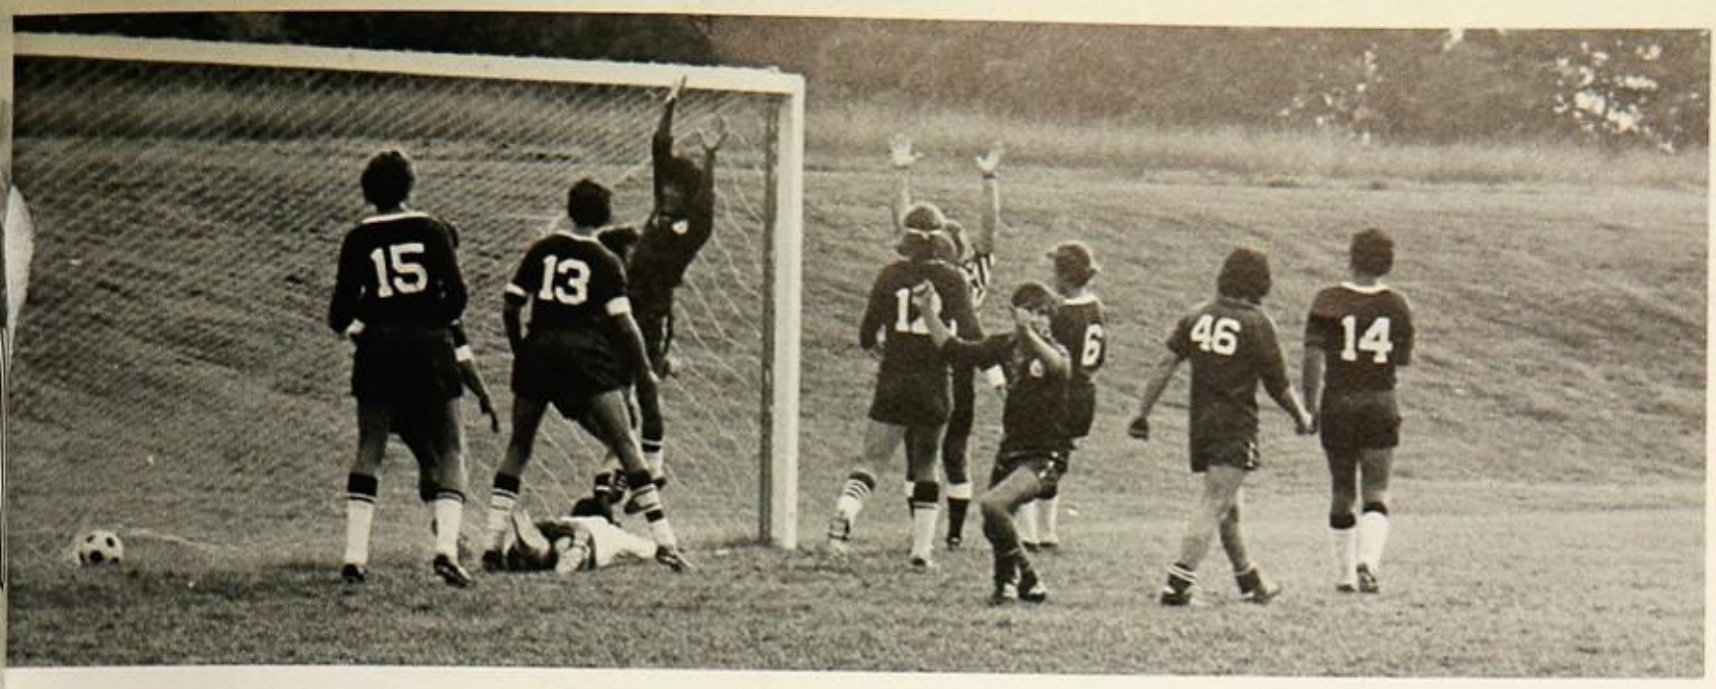
Plainville Game . . .

Despite their season's record, the football team got together in Thanksgiving Day tradition to defeat rival Plainville by a score of 6-0. Southington, entering the game against overwhelming odds, came on the field in true Southington spirit, to end the season in their most exciting game. "And the Thanksgiving meal was flavored by the sweet taste of victory . . ."



Most Valuable Offensive Player — Rick Buzanoski

Most Valuable Defensive Player — Bill Corrigan



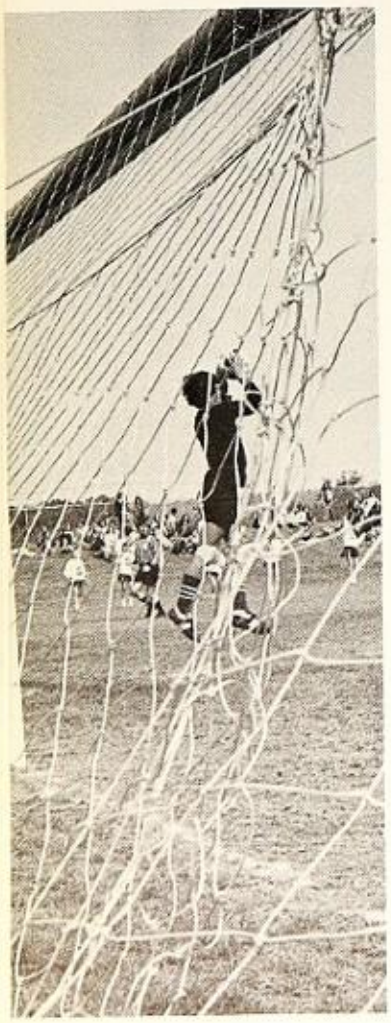
As soon as I get rid of the ball, ref, I'll race ya!

Seniors Gary Gworek and Ron Wygonowski

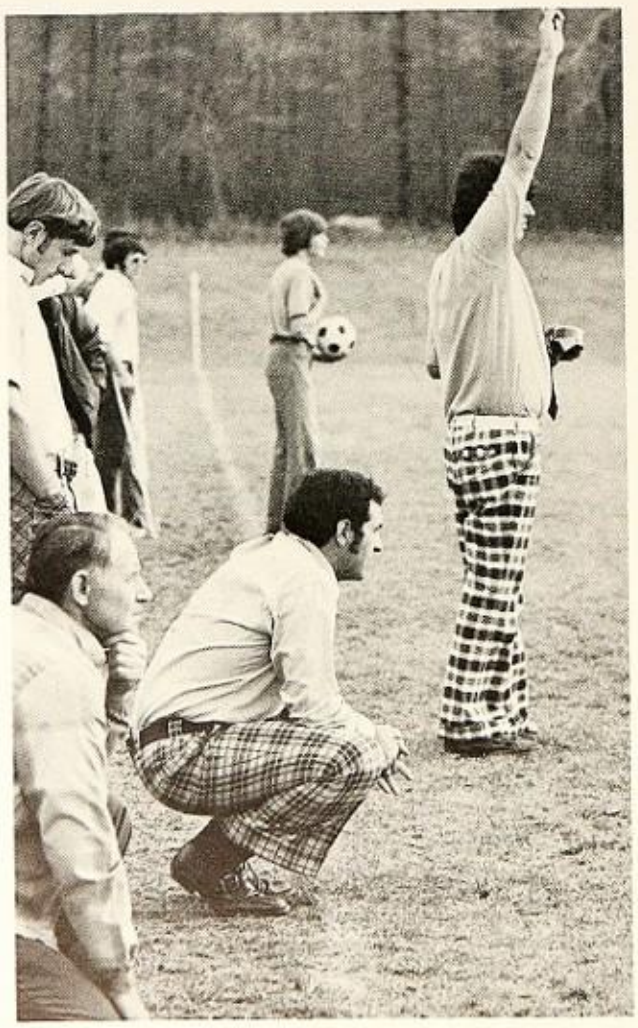
The 1974 Southington High School Soccer Season was a very exciting and tense one. Student participation and fan support were very strong. Many records were set — the most students ever out for the sport, the most seniors, the first winning season, most wins, most shut-outs, and the first time the school had a soccer field, also the first time for the team in the state tournament. There are many reasons to cite for the successful season. Number 1 — the players themselves, and the help of a summer soccer league. It was truly a team effort that led to their success. For coaches and players alike, it was a very rich, gratifying, and rewarding season.

. . . the agony of defeat.

S.H.S. Soccer spirit still prevails.



Goalie Jack Gray



With this gun, all hope ended.

Senior Cliff Pilarski

State Tournament

Lost to West Haven 1-0.
It was sudden death, triple overtime.

Pre-game conference

With the opening of a brand new school came the unveiling of a brand new sport in Southington, Girls' Volleyball. The 1974 Girls' Volleyball Team ushered in several firsts for girls' sports at S.H.S. Besides being the first volleyball team in S.H.S. history, they were the first girls' team to compete in the new Colonial League and were the first girls' team to have a male coach. After dropping their first three games to much more experienced teams, including state champion Maloney, the Blue Knight girls improved steadily to post a 6-8 record overall and finish fourth place in their League.

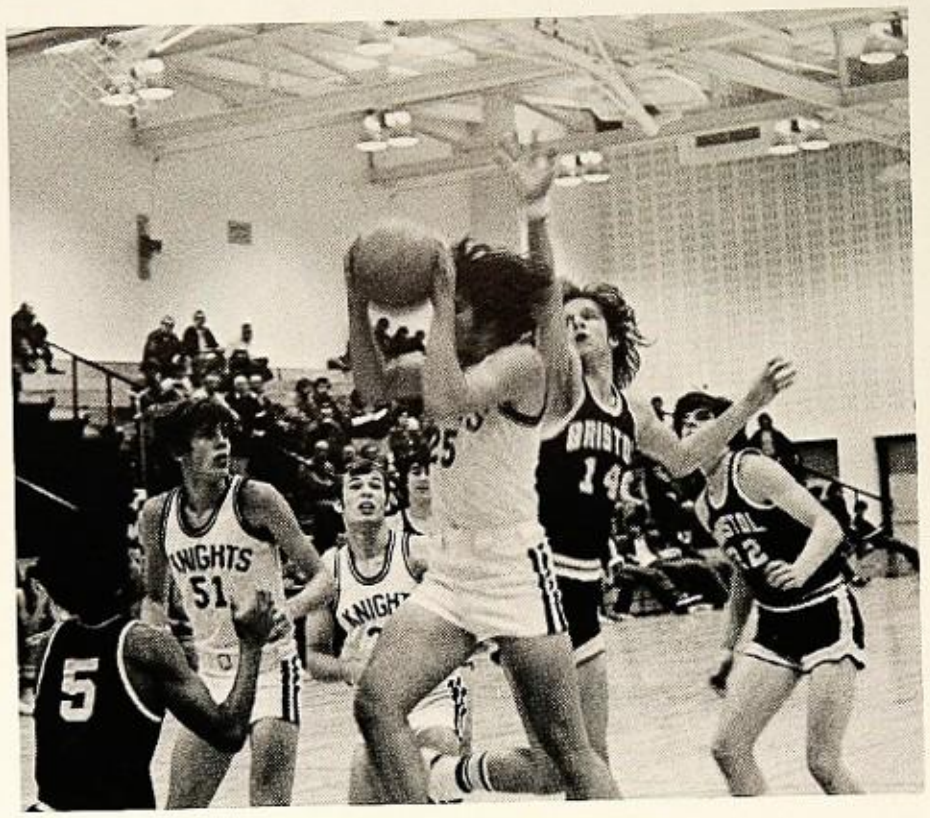
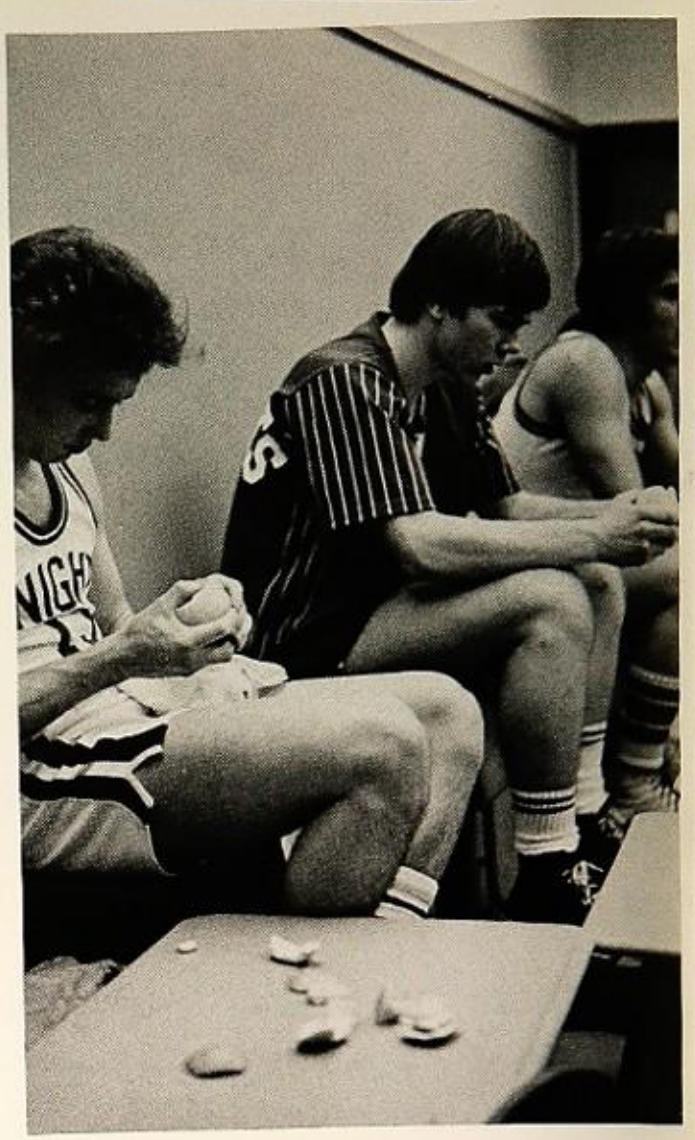
Junior Dan O'Connell

"If I had three wishes ..."

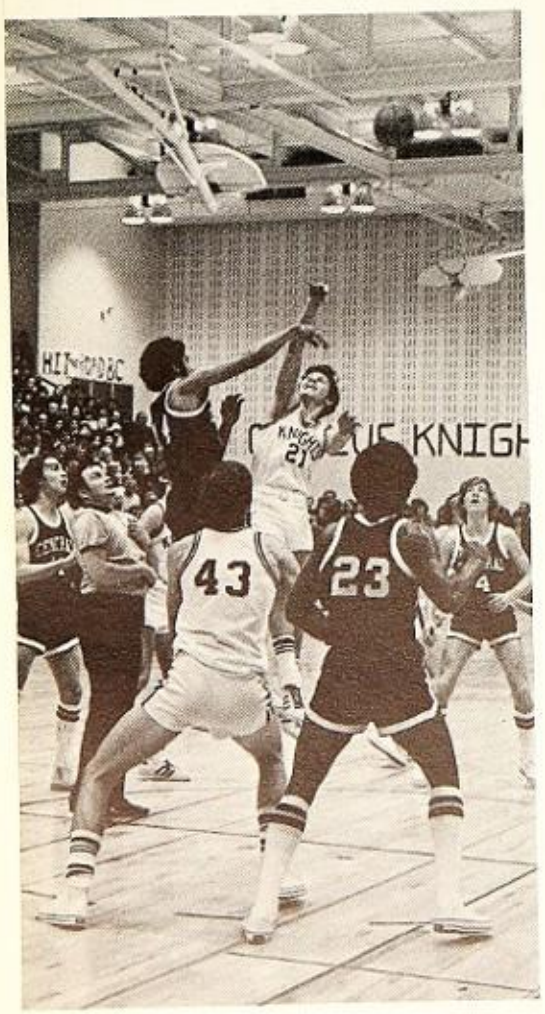
The 1974-75 basketball season was the year every senior on the team looked forward to. Many of the upper classmen had been playing together since junior high school and all were hoping for their first winning season of basketball at the new S.H.S. The varsity team won the first league basketball championship for Southington in ten years, clinching a very early CIAC tournament berth, and combining possibly the best record for a Knight hoop team in 25 years. It was a season that will be remembered by the coaches, players, and 90 proof club (?) for years to come.



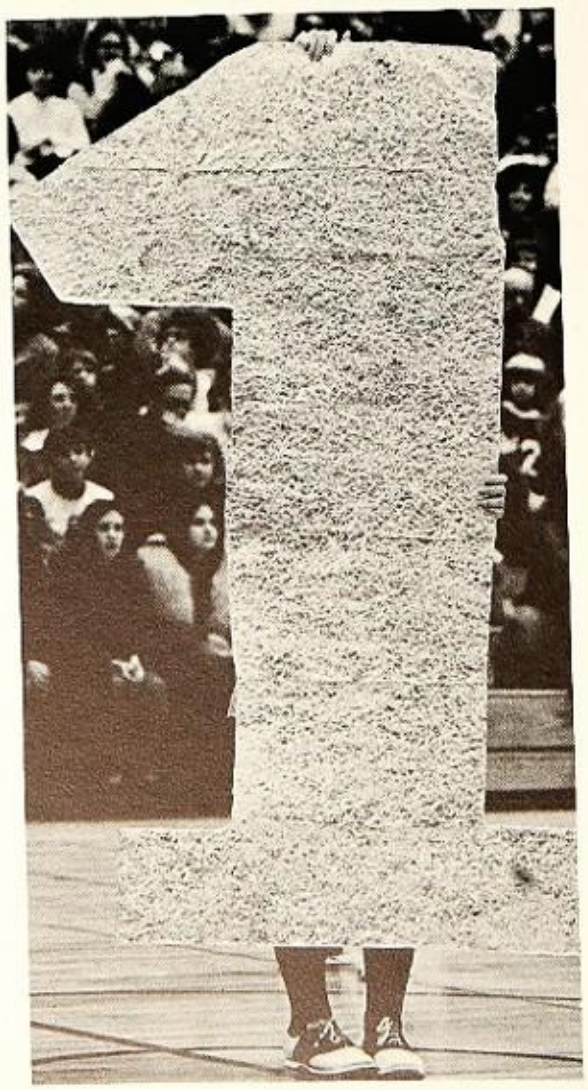
Bill Messier with another rebound.



"Hey, the Basketball shrunk!"



"Hey, where did the ball go?"



"We're NUMBER ONE!!!"

Swimming

The Blue Knight swim team, in their first year of official competition, swam to a 4-7-2 season record. Limited practice time at the local Y.M.C.A. and a lack of experience were two barriers that the Knights had to overcome. Enthusiasm, desire and 100% effort by the entire team helped them to win four and come close in several others against established and more experienced teams. Lead and encouraged by Co-captains, Tim Needham and Jane Tripp, the co-ed team improved steadily. With a year of experience behind them and a number of returning lettermen, the Blue Knight swimmers should be able to improve their record next season.

Pulaski	57-29
Plainville	24-55

The Southington Blue Knights Girls' Basketball Team ended their season with a 7-9 record. There was great improvement over last year. The girls were looking forward to tournament play this year, but missed it by losing only one too many games. The girls really learned to work together and won many games despite some disadvantages. Most of the starters will be graduating this year, but the team looks ahead to much talent in future juniors and seniors. The Girls' JV Basketball Team lost many close games and ended their season with a 4-12 record. The girls had fun this year and are proud of the teams' records. The seniors would like to wish good luck to next year's team and thank both coaches for all their assistance.

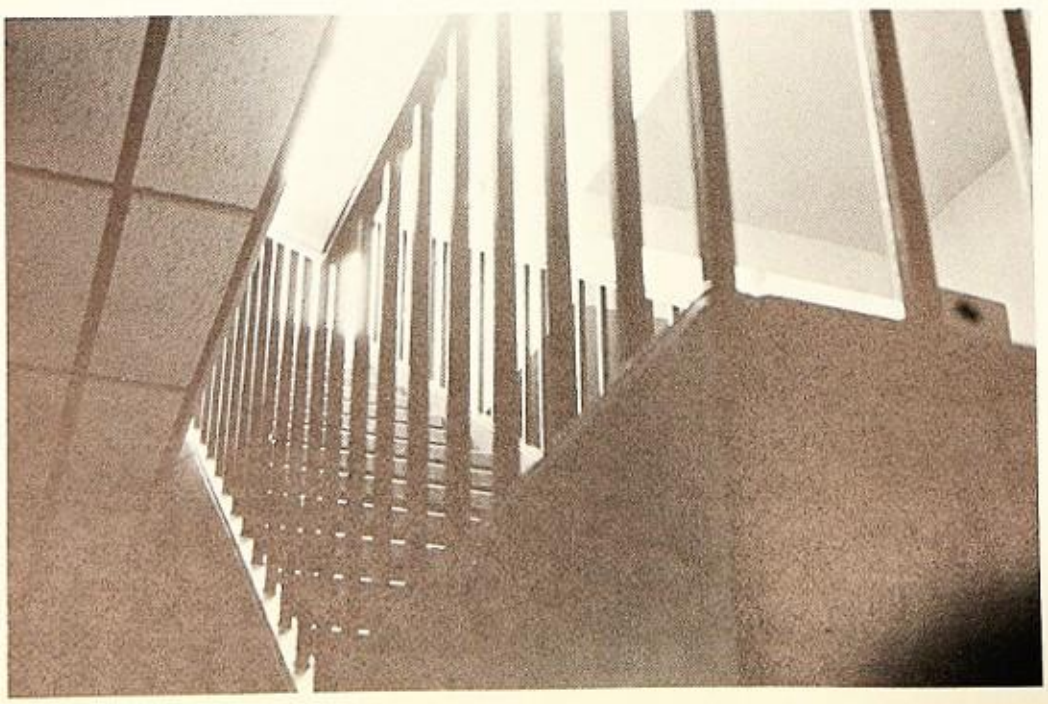
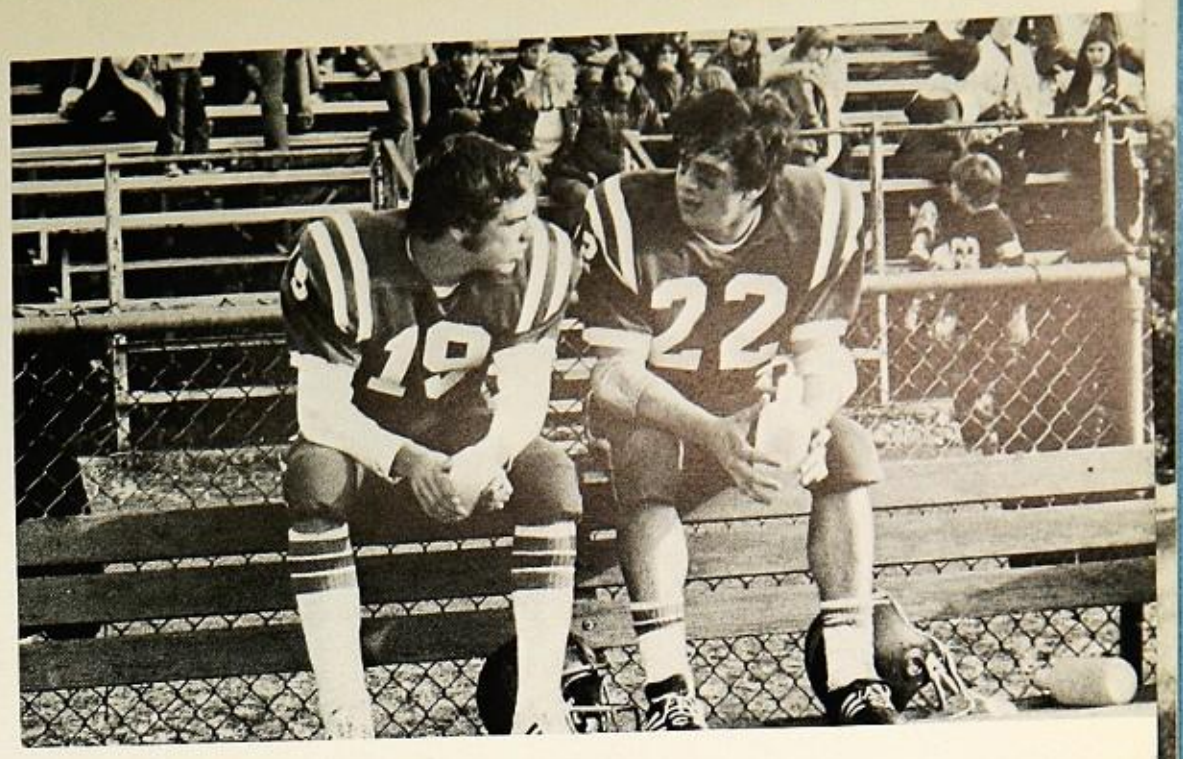
" . . . and so there ain't nothing more to write about, and I am rotten glad of it, because if I'd a knowed what a trouble it was to make a book I wouldn't a tackled it and I ain't a going to no more."

Mark Twain

Note: All captions beneath candid pictures should not be taken seriously, as they were used for humorous effect only. "If they believe that, Betsy, they'll believe anything!" (K. W.)

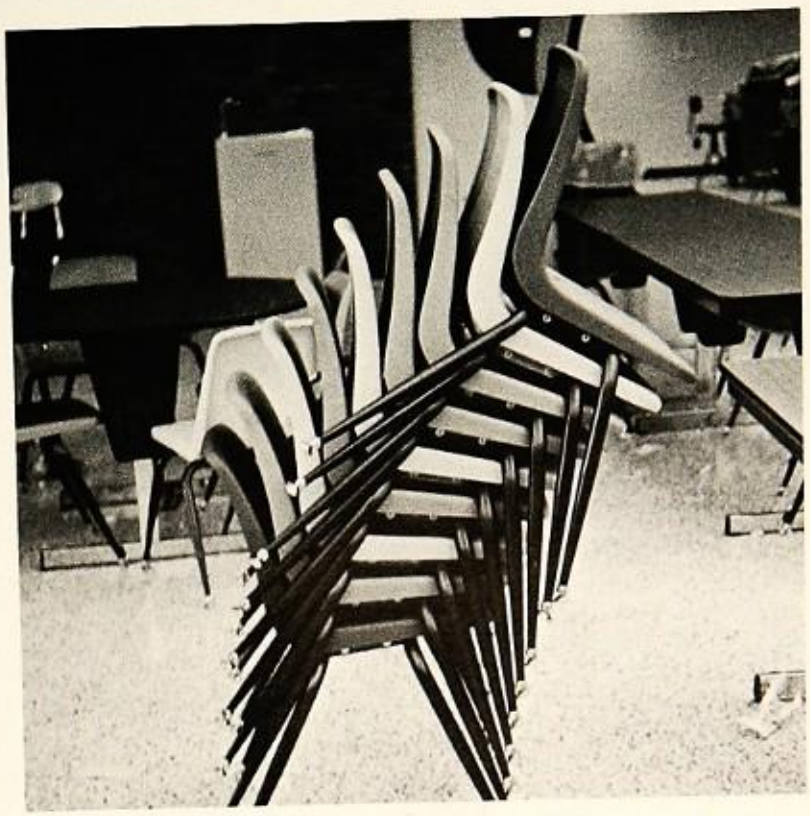


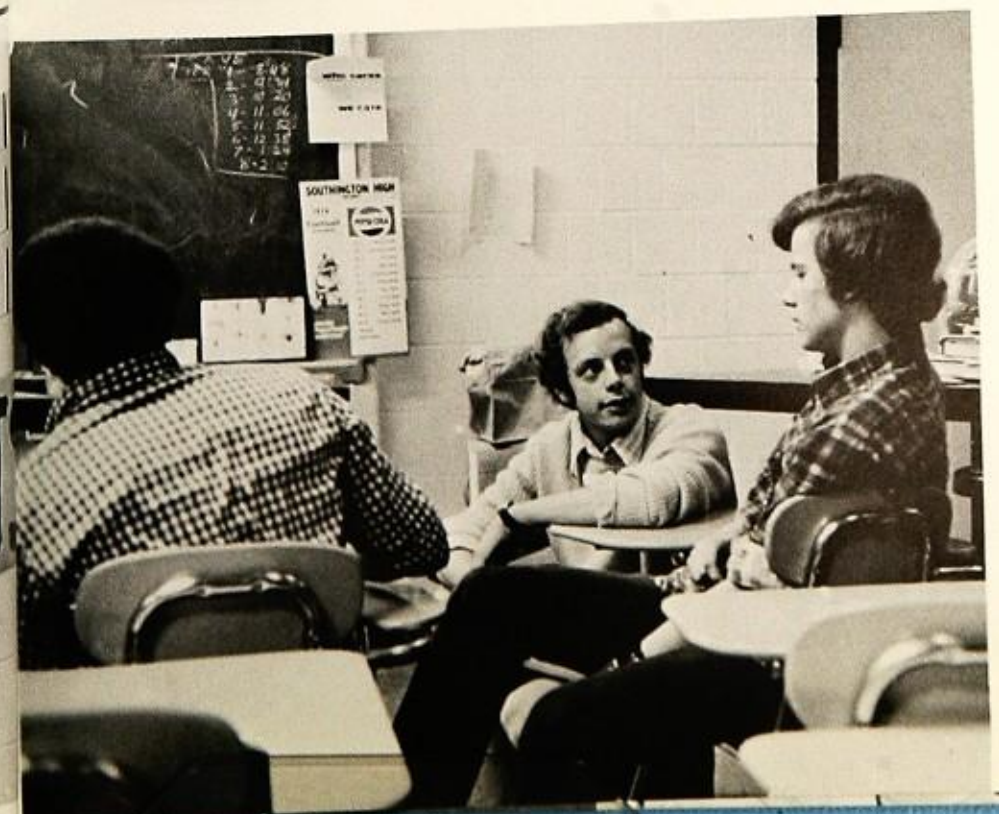


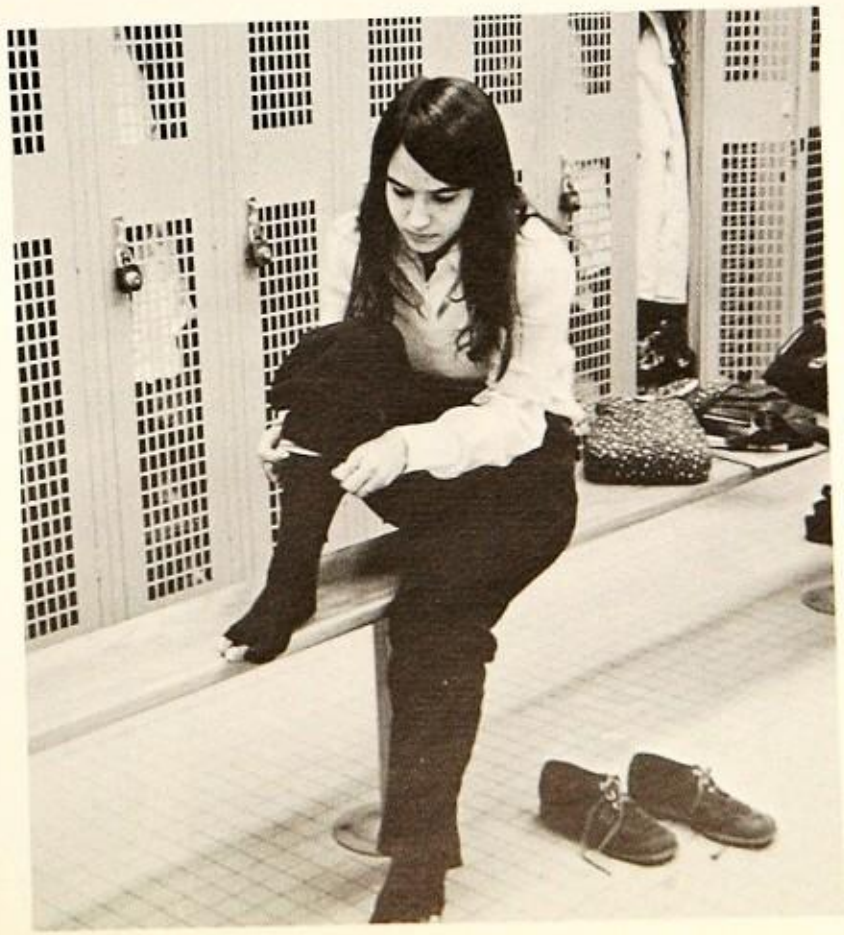
The organization of a yearbook is often thought to be a lot of fun; few people realize the hard work and dedication it really demands. We would like to thank the members of the 1975 Chronicle staff for the hours they shared with us, so that our yearbook would be a success. Without your cooperation and patience, the Chronicle would not be the yearbook which we are so proud of and we are grateful to you for it. We would also like to thank our advisor, Mr. Dom Giallello, for all his help and understanding throughout those late afternoons and evenings. Without you, we sincerely feel **no** Chronicle would be possible.

We hope that in the years to come this yearbook will be a reminder to all of you of your friendships and good times during your years at Southington High School. And to all those aspiring editors-in-chief of future yearbooks — lots of luck!!!

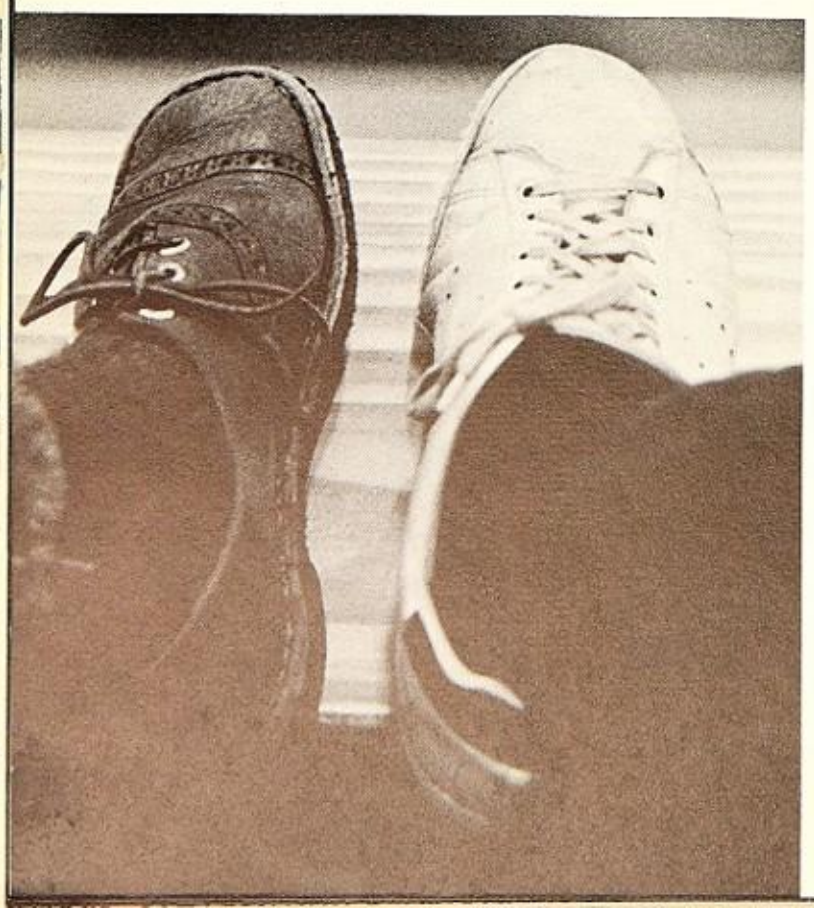
Betsy Goggin
Karen Wylie

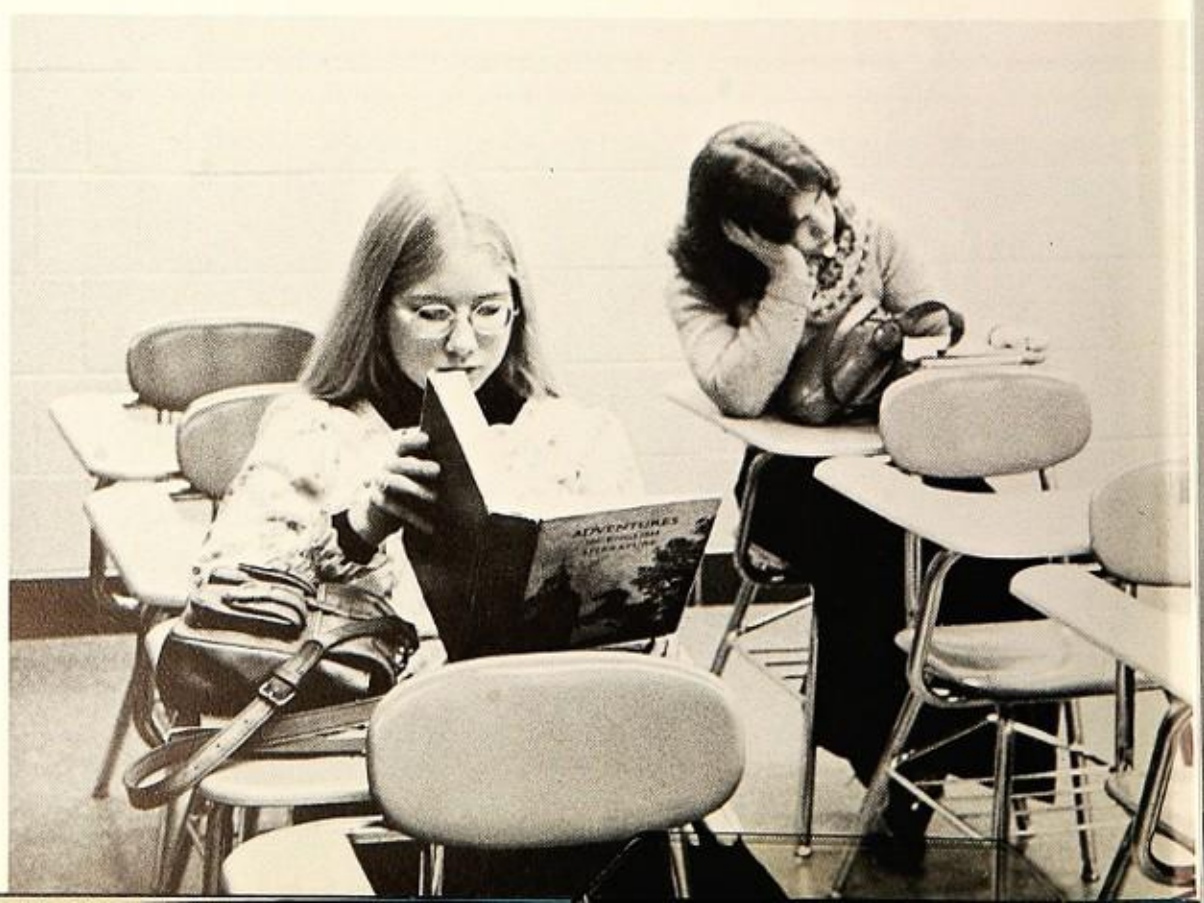


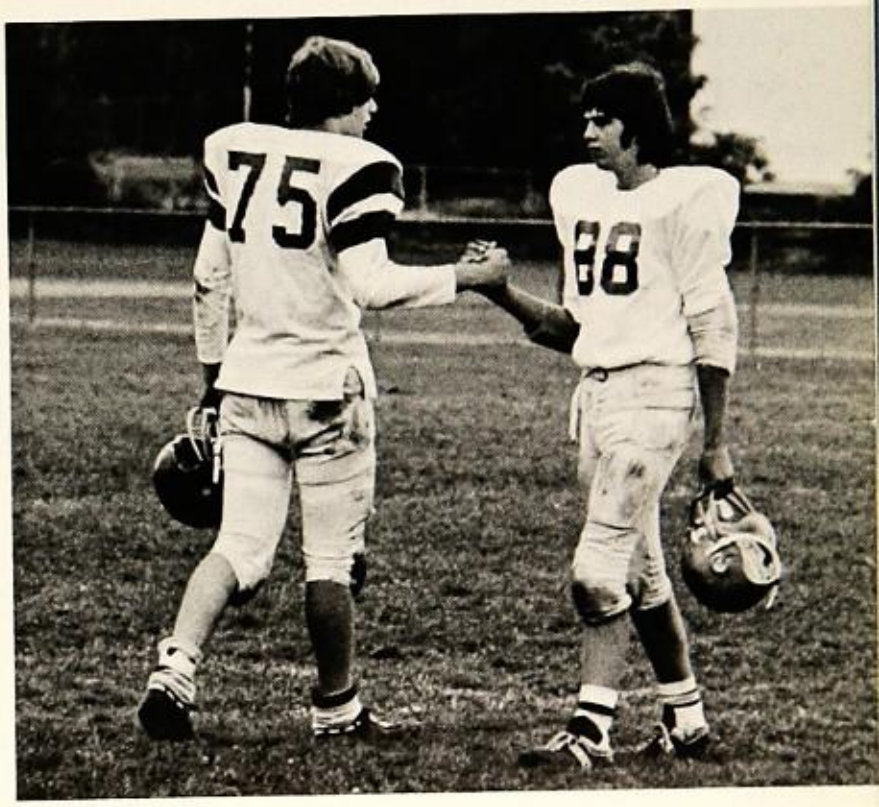


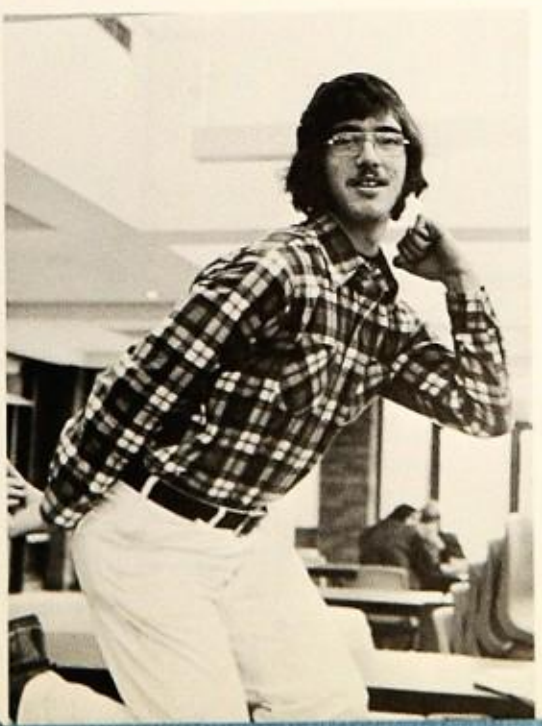


Smile sometimes when you see
the shadows of tomorrow's
shining promise of life,
in the midst of yesterday's
broken dreams and forgotten
hours of love.
And know, my friend, that only
in today will you find
the immortal miracle of now.









Like youth
everywhere
these young people
are romantic . . .
to be daring,
to be an explorer
to be where people need
you — this
is what calls!

O very young
what will you leave us this time
there'll never be a better chance
to change your mind
and if you want this world
to see a better day
will you carry
the words of love with you
will you ride
the great white bird into heaven
and though you want to last
forever you know you never will
and the good-bye
makes the journey harder still.

Cat Stevens
